

Perspective Plan 2016-17 to 2020-21

The institution has a long-term planning for the growth and development that is reflected in its perspective plan. The IQAC of the college takes initiatives in the preparation of the perspective plan. The institutional head/principal and IQAC consider the quality indicator of certain criteria determined by NAAC. The framework of plan is inclined towards the development of the institution that refers to the quality sustenance and quality enrichment.

The following lists focused on the institutional perspective plan for the next five years 2016-17 to 2020-21.

- 1) Development of more smart class rooms with interactive white boards and LCD projectors to facilitate/improve ICT enabled teaching methods.
- 2) To inculcate learner centric and effective teaching learning process.
- 3) To motivate students to pursue higher education.
- 4) To enforce attendance norms strictly for better academic performance.
- 5) To conduct unit test/assignments/seminar so as to assess the students and help them to improve and perform better in the University Examinations.
- 6) To ensure transparency and credibility in the process of students' evaluation.
- 7) To develop a comprehensive system of student mentoring and student support.
- 8) To promote and motivate faculty members for participation in FDPs like refresher course and orientation programmes, conferences, seminars and workshops.
- 9) To promote faculty members for the publication of papers in indexed research journals.
- 10) To promote faculty members to do/undergo/major/minor research projects.
- 11) The sign MOUS with other institutions for student exchange and faculty exchange programmes.
- 12) To improve the automation of the College library and upgrade the college website.
- 13) To improve the sports facilities at the college campus.
- 14) To open B.Voc courses.
- 15) To introduce/short term certificate courses.
- 16) To conduct more programmes through NSS, NCC, YRC Units etc. to improve social connectivity and help students to evolve into socially conscious and responsible citizens.
- 17) To improve the campus infrastructure to make it a more environment friendly and a greener campus.
